### SET 3

- 1 × Butterfly Offensive Blade\*
- 2 × Butterfly Sriver Rubbers

Set 3 is particularly suited for any spin-based offensive play. The popular Sriver rubber with its grippy surface provides a good balance between spin and speed. This combines with the offensive blade which offers the necessary punch for any gameplay situation in modern table tennis. This Set is recommended to beginners with some competition experience and supports a versatile style based on spin variation.
